LEGISLATURE LIGHTS THE CAPITOL FOR VETERANS

State Capitol Dome to be Lit Green in Conjunction with the “Greenlight A Vet” Campaign

STATE CAPITOL, PHOENIX (Thursday, November 19, 2015) – In a show of support for veterans across the state and nation, the Capitol Dome and legislature will be lit green this evening, November 19, 2015 through the rest of this month, in conjunction with the “Greenlight A Vet” Campaign.

The “Greenlight A Vet” campaign is a national movement dedicated to raising awareness and showing support for veterans around the country. To help in this endeavor, the organization is asking people to change one light to green in a visible location in homes and offices, and keep it glowing every day as a symbol of appreciation and support for veterans.

Speaker of the House David Gowan stated, “We are proud to be a part of this campaign to honor and spread awareness for the brave veterans in our communities. Each and every day we should take at least a moment to remember those who sacrifice their lives to achieve peace and democracy, and by uniting under this visible symbol it is my hope we can ignite conversations that will turn into actions that help veterans achieve opportunities and success.”
